

MAKO STREET HOLIDAY HOME

22A Mako Street, Oneroa, Waiheke Island

Taxis are available at the wharf, or you may catch a bus to the first stop at Oneroa. Walk up the hill, keeping right at the fork - the house is on the right.

CHECK IN: from 3pm

CHECK OUT: before 2pm

KEYS

The code to the lock box containing the house keys will be sent to you prior to your stay. The lockbox is situated next to the front door of the property. A torch may be helpful when arriving after dark. ***The keys MUST be returned to the lockbox before you return home and the lockbox locked by randomly tumbling the numbers away from the entry code!!***

ACCOMMODATION

The home is fully furnished and sleeps 4.
Bedroom 1 : 1 double bed; Bedroom 2 : 2 single beds

FURNISHINGS

Fully equipped kitchen, washing machine, Smart TV and Heat Pump.

LINEN

Duvets, blankets and pillows are provided. For hygiene reasons please supply and use your **OWN** sheets/duvet covers, and pillowcases - ***existing duvet covers and pillowcases are for protection only.*** Extra blankets may be required in winter. You will need to bring your own bath and beach towels.

Soiled mattress and pillow protectors MUST be washed and replaced before you leave

CLEANING SUPPLIES

Bring your own supplies including toilet rolls, tea towels, anti-bacterial cleaner or disinfectant, septic tank safe dishwashing liquid, cleaning products and toilet cleaner, and basic cleaning materials (cloths, sponges, etc)

MOBILE / INTERNET

Mobile phone coverage is available. Wi-Fi is provided - the SSID and password are detailed on the face of the modem. *Apps such as Netflix are available on the Smart TV, however if your log in to your own account, remember to log out when you leave to prevent the next guests from accessing your account!*

RUBBISH COLLECTION

Rubbish collection is on Tuesday mornings. Rubbish must be put into the appropriate bins provided and placed on the roadside before 7am. Leftover meat, fish, fish carcasses or fish scales **must** be wrapped and placed in the bins by the toilet block on the beach, and NOT left in the bins on the property. Glass, tins, and cardboard should be separated and placed in the appropriate recycling bin provided or disposed of at the recycling station on Ostend Road

WASTE

Do NOT put grease or food waste down the sink or drains. Do NOT flush baby wipes, sanitary pads, tampons, or other foreign objects down the toilet.

PLEASE CONSERVE WATER!

The water supply is TANK water only. Please conserve water by having limited short showers, using the public shower after being at the beach, and using the washing machine only when necessary. A laundromat is situated in Tahiri Road if any washing is required. There is a 30-to-40-day lead time on water deliveries throughout summer.

Please let us know immediately if water levels are running low.

In an emergency and the unlikely event of a burst water pipe or water leak/flood in the house, turn off the water supply by turning off the power switch on the water pump situated underneath the house. In addition, turn off the water outlet valve on the hot water cylinder situated in the hallway linen cupboard, and contact the Club immediately.

SEPTIC TANK & SEWAGE IRRIGATION SYSTEM

Using too much water, bleach, non-septic tank compliant cleaning products, or putting grease down the drain, seriously harms the septic tank chemical process. Do not flush wet wipes, sanitary pads, tampons, or other foreign objects down the toilet as these also destroy the septic tank chemical process.

CLEANING

The house must be left **clean** when vacating – please refer to the Holiday Home Housekeeping Rules for our cleaning protocol. A charge may apply if the next occupant reports extra cleaning is necessary.

POWER

Please leave power **ON** when vacating. ***Do NOT turn off the fridge! Switch the Heat Pump OFF when you leave the premises - Do NOT leave the Heat Pump on when the property is unoccupied.***

HEALTH & SAFETY

If a Guest and/or Member has a safety concern, or if there is a near miss, incident, or accident, the “Near Miss Report Form” and/or the “Accident Report Form” which can be found in the Club Documents on the ASSCI website, must be completed and forwarded to the Committee.

HEALTH & SAFETY – ELECTRICAL DEVICES

Multi-Boards & Adaptors - If used correctly, multi socket boards are safe, but if overloaded, worn or damaged, they can cause a fire or electric shock. **Only** use a power board with an overload protection device. Do NOT 'piggyback', multiple adapters, and extension leads, plugging one power-board into another is very dangerous!

SUGGESTIONS & FEEDBACK

To help us maintain our Club’s home for your enjoyment, please complete the Guest Feedback form, scan it and email it to us on admin@assci.co.nz We welcome all suggestions and feedback!

Treat this home with care – it is for you and other club members to enjoy!
